Dear **Patches**

We offer a 10% discount on vaccines & annual exams when given on time!

Our records indicate that you are due for the following important health services:

- **EXAMINATION - ANNUAL 10/12/2008**

You're 1 year old! You're in the prime of your life, and it can be tempting to skip some of your visits to us. But now that you're an adult dog, regular visits are an essential part of your wellness care. In addition to providing you with the wellness services that will keep you happy and healthy, we want to make sure you're protected from fleas, heartworms, and intestinal parasites.

Sincerely,

Your friends at Your Veterinary Practice
